## Recovery SuperService – £27.00\*

If the vehicle cannot be repaired at the roadside, we'll take your vehicle and passengers to a UK destination of your choice.

## Home SuperService – £18.00\*

This extends cover to include breakdowns occurring at, or within one mile of your home.

## Emergency travel or accommodation – £12.00\*

If we cannot repair your vehicle or take it to your home or destination during the same working day, we'll give you up to £100 to help you complete your trip, or for overnight accommodation.

## Caravan SuperService – £9\*

Covers your caravan or small trailer, whilst attached.

# Main terms & conditions

This leaflet describes the main benefits of Autonational Rescue. Cover is subject to the full terms and conditions, available on application. Autonational Rescue is marketed and administered by Equity Red Star Services Ltd on behalf of Equity Red Star who underwrite and arrange the service.

Breakdown means a mechanical or electrical failure, accident, vandalism or theft which renders the vehicle immobile. Cover applies within the mainland limits of the United Kingdom only. Ferry and/or toll fees are excluded. The cost of any parts, components or materials used in any repair is not covered. Service cannot be provided where the vehicle is inaccessible due to snow, mud, sand or flood. The vehicle must not be driven in an unsafe or unroadworthy condition, or until recommended repairs have been carried out. No refund is available if cancellation is required. The vehicle must not be used for private or public hire, racing, rally or other competition purposes.

Call Recording - our aim is to provide a top quality service. To help ensure this, we may record telephone calls.

Cover is available on Private Cars, Car derived Vans and Motorcycles over 150cc. Unfortunately, to keep our prices such good value, we cannot cover LCV's, Pick-ups, Caravanettes, Minibuses and left hand drive American Cars. Nor can we cover vehicles used as taxis for private or public hire.
